GETTING EVERYONE INVOLVED

Whole Church Involvement

Keeping your church informed and active in supporting the team is an important aspect of your job. The more the

church is part, the more support the team will get from your church. Remember, this is a church project, not just a youth group project. The following pages should be shared with your church leadership.

- HOW CAN I BE INVOLVED?
- RAISING SUPPORT.

Training your team will be one of the most important responsibilities you have. You are sending your people into the front lines of battle. They **MUST** be equipped. It is our desire to partner with you to fully cover all in prayer.

It is important for your church to be a part of this short-term mission ministry. This suggested program with its focus on prayer allows your congregation to be involved with the team at three different levels of commitment:

1. Weekly prayer Partners for the team.
2. Personal Prayer Partners praying for an assigned team member.
3. Prayer Ministry Team participating in prayer during the mission trip.

Directing Church Involvement:

1. Assign “Church Prayer Coordinators” from the missions committee, along with a parent, to oversee this task. It should not be a team member.

2. The church prayer coordinator should meet with their team to arrange plans for this program.
3. Announce the program to the congregation. Have HOW CAN I BE INVOLVED available describing the tasks for each level of commitment.
4. Have a sign-up sheet for people to sign and choose their level of commitment.
5. Match up prayer partners with team members. Work with the Church Prayer Coordinator for this task.
 - a. Give a "Prayer request" list to those who are praying weekly.
6. Encourage team members to follow through with their commitments.
7. Invite all the people involved along with the congregation to "send off" the team.
8. Schedule a party after the team returns from the mission field to rejoice and hear about what God accomplished through your joint prayers and commitment.

HOW CAN I BE INVOLVED?

There is more to a SHORT-TERM mission ministry than just going. You can be a significant part of this team by getting involved in supporting them in a special way. Depending on your time, you can choose to be involved at three different levels of commitment:

1. **Weekly Prayer Partner for the team.**
 2. **Personal Prayer Partner praying daily for an assigned team member.**
 3. **Prayer Ministry Team participating in a prayer time during the Mission.**
-
1. **Weekly Prayer Partner for the team**
 - a. Get the team prayer request from the Team Prayer Coordinator.
 - b. Pray weekly for the team beginning now until the end of the Mission.
 - c. Attend a prayer meeting for the team while the team is on the Mission.
 2. **Personal Prayer Partner, praying daily for assigned team member**
 - a. Get the prayer request list of your team member.
 - b. Pray daily for your team member beginning now until the end of the Mission.
 - c. Attend a prayer meeting for the team while the team is on the Mission.
 3. **Prayer Ministry Team, participating in a prayer time with other PMT's**
 - a. Meet with the Prayer Team once a week from now until the end of the Mission.

- b. Pray daily for your team member beginning now until the end of the Mission.
- c. Give as much time as possible to prayer and fasting for the team, students and counselors.

Please pray about how you can be involved with this mission project. There will also be other opportunities to assist team members practically, *by putting together a bag of goodies and letters of encouragement for team members to take along with them when they leave for the Mission.*

RAISING SUPPORT

The cost of participating in this short-term mission with United Ministries Fellowship is \$_____. How does United Ministries Fellowship use the money?

Here is a partial breakdown of expenditures.

1. FIELD EXPENSES:

The largest share of support raised goes to cover “field expenses”. These expenses are for room and board while on the field, training materials,

contributions to the church plants and materials for building, painting and clean up.

2. MINISTRY MATERIALS

This includes: Leader's manuals, training and equipping material, vacation bible school curriculum, student materials and snacks for the children who attend vacation bible school.

3. GENERAL ADMINISTRATION:

This includes: Communication with field, making arrangements for team's ministry projects, room and board arrangements, and orientation, office administration cost, including processing applications, accounting and field training. This also covers the cost of T-shirts, lanyards and the guest speaker and worship band.

Financing the ministry of your short-term team can be a great responsibility, but also a great time of trusting God and seeing Him provide. Churches are often concerned that sending short-termers will take money away from the "real" missionaries. But studies show this is generally not true. People usually give over and above their regular giving for a special project.

How can you raise the necessary support and not "drain" your congregation? Every church has its own unique policies and procedures. There is no one right way. The following are suggestions to guide you in thinking through your own church's policies and procedures. It will also explain how we can work together in this process.

Establishing church policy:

- ✓ What is the proper procedure for raising funds in your church? Can the team contact church members through a prayer letter? What are the procedures for receipting so donors will receive a tax-deductible receipt?
- ✓ What fund raising project will be allowed for the team as a whole?
- ✓ Must team members contribute some percentage of personal funds?
- ✓ How will you distribute funds raised through group activities- divide equally or use only to complete what is lacking?
- ✓ How much of the counselors and leaders expenses will be covered by funds raised?
- ✓ Where should excess funds go? Building project? Bags of goodies for the VBS children? To another ministry in the church?

Communicate Financial Process and progress to the Team:

Once you have determined your guidelines for raising support, you will need to communicate the procedures for raising support to the team. Individual donors should make checks payable to the church, in order to receive a tax receipt. Be sure to keep the team members updated on how support is coming.

SELECTING A TEAM OF VOLUNTEERS

As you well know, delegating certain responsibilities not only lifts the pressure off of you, but also allows other team members to become involved and therefore blessed as a result of their own involvement. The students are very capable and should help with the entire mission process. We believe that each individual has been given gifts and talents to be used for the glory of God. We suggest you have the following “positions” available to those who wish to volunteer and help you in the process. If you choose not to assign these “positions” to volunteers please be sure you read though the responsibilities so that nothing is left undone.

Prayer Coordinator: This person is responsible for working with the church prayer coordinator to arrange prayer partners within the church.

Team Secretary: This person can handle all paper work.

Communications Coordinator: This person is responsible for keeping the church body informed and involved with the team before and after your time away from home.

Luggage Coordinator: This person is usually responsible for making sure all luggage gets from one place to another. He reminds all team members to make sure their luggage is on board.

Materials Coordinator: This person is responsible for coordinating things like craft materials, snacks for the children at VBS.

Team Photographer: Although students and leaders will be taking their own camera's it is nice to have a TEAM PHOTOGRAPHER so that you can compile a mission trip album or use those photos for a power point presentation for the church.

Fund Raising Coordinator: This person will be responsible for coordinating team fund raisers and keeping track of money raised.
